

How to Get a Divorce When You Dont Want One

Are you facing an unwanted divorce? If so, you are about to be confronted with decisions you never dreamed you would ever have to make. These profound decisions will determine your quality of life for years to come; therefore, it is vital that you make the very best decisions possible. You already feel trapped by horrible circumstances out of your control, so you must direct with care and precision the circumstances under your power. This resource will walk you step by step through the heartbreak of an unsolicited divorce. This book will help you sort through your feelings as the author vividly describes his own divorce and how he dealt with his emotions. It will give you a detailed plan for how to assemble an incredible team of people interested in your personal success as well as find a qualified attorney, and it offers practical advice on daily routines. You may feel like a victim of divorce, but you do not have to give up and live like a victim. Using the ideas and techniques from *How To Get a Divorce When You Don't Want One*, you can come through divorce ready to face a bright future instead of continually living with the regrets of the past. It is the belief of the author that one should not make life-changing decisions during tumultuous times. This is probably the worst experience you have ever had to face; consequently, you need help in the countless decisions you are about to be forced to make. One of the better decisions you can make right now is to read this

book. It might be the difference between your future happiness and misery. The prayer of the author is that in these pages you will find the help you need to get started right on the course of the rest of your life.
