

Always Running: La Vida Loca: Gang Days in L.A.

The award-winning and bestselling classic memoir about a young Chicano gang member surviving the dangerous streets of East Los Angeles, now featuring a new introduction by the author. Winner of the Carl Sandburg Literary Award, hailed as a New York Times notable book, and read by hundreds of thousands, *Always Running* is the searing true story of one man's life in a Chicano gang and his heroic struggle to free himself from its grip. By age twelve, Luis Rodriguez was a veteran of East Los Angeles gang warfare. Lured by a seemingly invincible gang culture, he witnessed countless shootings, beatings, and arrests and then watched with increasing fear as gang life claimed friends and family members. Before long, Rodriguez saw a way out of the barrio through education and the power of words and successfully broke free from years of violence and desperation. Achieving success as an award-winning poet, he was sure the streets would haunt him no more until his young son joined a gang. Rodriguez fought for his child by telling his own story in *Always Running*, a vivid memoir that explores the motivations of gang life and cautions against the death and destruction that inevitably claim its participants. At times heartbreakingly sad and brutal, *Always Running* is ultimately an uplifting true story, filled with hope, insight, and a hard-earned lesson for the next generation.
