DOUBT: THE COMPLETE SERIES (INCLUDES ALL SIX PARTS) From Bestselling New Adult Romance Author, J.D. Hopkins. Finally, all six parts of The Deception Series is now available in one complete bundle! DOUBT #1 -Having fled her abusive ex-boyfriend from Colorado, Dana Yates vows to never trust or come close to another guy again as she looks to rebuild her life in Las Vegas. However, that all changes in a quiet alleyway when she crosses paths with Dean Knight - a charming, yet loveless bad boy from Alabama. There, the journey of deception begins... DOUBT #2 -Heartbreak and deceit are the only sensations Dana Yates is left with as she lays semi-naked on Deans bed. She trusted him with everything. Her heart, her past, her future, the lot. Lost in the abyss of betrayal over his filthy little secret, Dana is forced to delve for the truth on her own. Will her burning questions only yield cold answers? Follow the second installment of this gripping, sexy and suspenseful story. DOUBT #3 -Caught between a lie that she never saw coming, Dana is left torn and mortified as she lays in a heap in the very room that has shattered everything she believed to be true. Confronting Dean and demanding answers to some heartfelt questions is the only thing she desires now, but when he reveals some startling facts from his past and present, will Danas perception of him change? Or has his deceitful lies damaged any chance of salvation? One

thing is for sure though, Dean is up against the clock, meaning Dana has only two bleak options. Stay, or go. DOUBT #4 -Deceit and lies are something Dana came all too accustomed to, but with renewed hope that she has left that all behind in Vegas, Dean and her now turn their attention to their more immediate concern - surviving on the run. After all, with a nationwide manhunt following their every move, each day could be their last. With little room for error, it isnt long before Dana makes the bold decision to call on a friend many miles away for a huge favor. However, what is initially thought to be a blessing, quickly spirals into a living nightmare as Dean and Danas future suddenly falls into the hands of a manipulative mind. DOUBT #5 -With the shock of Ryans unexpected appearance now somewhat out of their system, Dean and Danas new reality leaves a bitter taste in their mouths as they have little choice but to push forward with his help. Remaining on the run is no longer an option they want to take, so when a much needed rendezvous with Ryans underworld contact springs up, all grudges are put aside as they know this could be their only chance to disappear for good. Despite Ryan being on Dean and Danas dwindling payroll, one question remains a constant - Is he a blessing in disguise, or a curse lying in wait? DOUBT #6 -Another lie, another shattered heart. With only a short time to go till Dana and Deans shot at a new life could begin, Danas hope and optimism abruptly transforms into heartache and controversy. Her painful discovery casts strong doubt over the young couples relationship, all the while one person suspiciously remains out

of the loop... Ryan. Knowing that it all comes down to this, Deans quest to save their dying future leads him to a place where every emotion in his raging body will be put to the test. It was a lie that started this whole journey, but could it be the reason it all ends? New Adult Romance Suspense (Contains Swear Words and Sexual Scenes. 17+ Readers Only.)
