

Agnosticism, Atheism and Non-Religion (ULCMM Divinity) (Volume 1)

Agnosticism, Atheism, and Non-religious persons have similar views on spirituality. Agnosticism is a faith system that holds that there is no definitive evidence that a spiritual being exists. It is a non-exclusive faith system associated with physics. Some Atheists similarly believe there isnt anything in the spiritual realm. Non-Religious persons dont think of spirituality in any sense. This book gives an overview of these faith and non-faith systems that can be understood on a conversational level. This book includes a section for notes and keeping a journal. This book is presented by (ULCMM) The Universal Life Church Monastery of Massachusetts.
