

Lost in Me (Here and Now Book 1)

“Sexy, twisty and utterly addictive, *Lost in Me* will consume you until the final page. Clear your schedule. An amazing read!”

“NYT Bestselling Author Kendall Ryan *Lost in Me* is the first book in the USA Today Bestselling *Here and Now* trilogy. This sexy amnesia love triangle is intended for mature readers. The last thing I remember is having drinks at Brady’s and trying to avoid eye-contact with my life-long crush—the gorgeous, unattainable Maximilian Hollowell. They tell me that was a year ago, but I have no memories of anything since then. What I do have is this ring on my finger that Max says he gave me, and this much-thinner body I’ve dreamed of most of my life. Aside from a case of retrograde amnesia, everything seems almost...perfect. But the deeper I immerse myself into this new world of mine—planning a wedding to a man I don’t remember dating, attempting to run a business I don’t remember starting—the clearer it becomes that nothing is as it seems. Do I have the life I’ve always wanted or is it a facade propped up by secrets I don’t even know I have? I need answers before I marry Max, and the only person who seems to have them is the angry, tatted, sexy-as-sin rocker Nate Crane. And Nate wants me for himself. *Lost in Me* is not a standalone novel, as the story continues in *Here and Now* book two, *Fall to You*, and concludes in book three, *All for This*. The entire trilogy is available now. Explore *Love Unbound*, the series
