

Love Guide by Handwriting Analysis

A unique method of almost instant seduction by simply glancing at a woman's handwriting strokes and letter formations. Uncover her personality traits. Avoid the neurotic female troublemaker, and determine the deeply passionate woman and those who are highly emotional--all by her handwriting. Love Guide by Handwriting Analysis is presented from the standpoint of making scientific handwriting analysis a simple yet exciting game. It offers a guaranteed-to-work system for understanding what women are all about, a fun and easy way of accurately predicting the actions and reactions of every female in your life. By examining a woman's handwriting, you will gain an amazingly fast and reliable insight into her emotions, her psychology-and her libido! You will be able to discover at a glance whether the woman you are attracted to is really worthy of your interest. You will learn exactly what approach will increase her interest in you! In fact, an extremely accurate conclusion concerning that special female's sensuality, or lack thereof, and her likes and dislikes or interests can be reached whole knowing absolutely nothing about handwriting analysis itself. Instead of a perplexing mystery--and a maze of confusing and difficult stroke formulations this science has been broken down into some lighthearted fun. It takes only a simple flip of a page to start you off on a new level of unique entertainment. By the same token, the reverse is also

true! Fortunately for the female sex, the identical rules apply to the handwriting of men. A woman can use this science to gain unbelievable insights on the man of her life. Or she can determine things about a stranger she has an interest in, or to which she feels a physical attraction. She simply applies the rules to his script as given in this book. Its really that easy!
