

Naughty Bitch: The Frenemy Chronicles (Wicked New Adult Books Book 4)

Vicky Westwood knows sheâ€™s bad. She just doesnâ€™t give a fuck. From the time Zoe Nicolas, the most beautiful and popular girl in school befriends the pretty Vicky Westwood, Zoe believes Vicky is the only person in the world who truly understands her pain. As Zoe goes from her All-American boyfriend, the gorgeous Michael Touchstone, to her rich, powerful boss, Mitchell Rowlett to the hot Dr. Allen Connor, Vicky Westwood always stands by her best friendâ€™s side. And for Vicky, who makes a career of nursing Zoe, her job as her best friendâ€™s confidante and supporter is not without many hot benefits. As Zoe fights through her life searching for love, Vicky is fueled by passion and revenge. We all have encountered at least one frenemy. Perhaps that frenemy is even...you. Naughty Bitch is the boxed set edition of The Frenemy Chronicles, thrilling, twisted tales highlighting the disloyalty of friends and the manipulation of men and includes all three books in the series: Naughty Life, Naughty Lies and Naughty Love. Things are not what they seem as the lives of the rich, entitled and psychotic are explored in these sexy stories, containing mature content, by bestselling author Lola Swain. All characters are eighteen years or older.
