The Perfect Remedy for Cold Feet! More than half of all couples who become engaged this year will never make it to the altar. Why? Leading experts believe its because couples fail to really get to know their potential mate before getting engaged. Relationship expert and noted couples counselor Norm Wright steers potential brides and grooms through a series of soul-searching questions to discern if theyve really met the One. Couples will be much more confident about whether or not to pursue marriage after completing these in-depth and personal questions.
