

His One Desire

From the Amazon bestselling author of *By His Desire*...The last thing Kali Jones wants is to see Luke Tanner again. Once her high school nemesis, he's now one of Hollywood's hottest stars. Her boss thinks he's looking for a role on her new TV show, but Kali doesn't believe that's his real agenda. Luke is in New York on a mission: to get closure from the woman who once broke his heart. And if he gets to rattle her cage along the way, that's just a bonus. But when a game of truth or dare sparks a simmering attraction, everything changes. Now Luke is determined to make Kali admit her desire for him...and she's just as determined to deny it. In their battle of wills, love is the last thing they expect to find--and the only game both of them can win. *His One Desire* is a steamy romance novella of 24,000 words, or about 120 printed pages.
