

Wiley Study Guide for 2016 Level I CFA Exam: Complete Set

The Wiley Study Guides for the Level I CFA exam are proven to help candidates understand, retain, and master the CFA Program Curriculum, complete with color-coded Study Guides and coverage of every Learning Outcome Statement on the exam. With over 1,300 pages of distilled knowledge from our staff of CFA charterholders and instructors, these books are a highly effective and proven study aid filled with exam tips, fundamental concepts, and in-depth examples. Our authors have used their years of personal teaching experience with students from a variety of backgrounds to develop study guides that improve the study experience of CFA Level I candidates and include practical and helpful tips and test-taking advice throughout the text. The color-coding feature, which makes it easier for you to follow cases and examples, makes references to graphs and sets of financial statements. Most subjects, especially Economics, Portfolio Management and Fixed Income use plenty of figures and diagrams to illustrate important concepts. Our study guides include all those figures and additional commentary to make the material easily understandable.

Just wanted to let you know I am VERY happy with the notes. Much more clear than other providers!

Brian, USA

The Study Guides were more clearly and thoroughly (and yet somehow more concisely!) written than the competitors.

Vanessa, Spain

Your study guides, lectures and practice questions are

really helping me grasp these difficult concepts better. Thanks!â€•Â â€•Â Amy, USA I would wholeheartedly recommend Elan Guides to anyone who wants to comfortably pass CFA exams. Thanks for all the support guys. you rock!!â€•Â â€•Â Manoj, IndiaÂ
