

Whats Next...?: The Memoir of a Norwegian Iowan

My father, Eugene Eness, served as a primary inspiration for this story. He had written a biography of his life in his later years. I know I am writing at a later time, and my health is not as good as his was and I am afraid mine won't be as good as his is. But I hope this will give my grandkids some idea of what their old Grandpa was like when he was growing up.
