Are you making your hard-earned finances work for you and your family? This book highlights 8 important issues that every successful business owner or professional should know about when it comes to saving taxes and wealth accumulation. Expert financial planner, Marilyn deRooy-Pearson asks and answers key questions, including: Are you using your small business tax rates to its best advantage? Are you paying for your children's post-secondary education at their tax rate or yours? Have you set up a corporate retirement plan? Are you leaving estate planning to chance? Is your wealth accumulation strategy tax efficient? This book is about business owners integrating family, business, share ownership, retirement and estate planning into effective financial planning strategies. Learn about the tax and planning benefits that have been created by the federal government to encourage entrepreneurship and private business owners. Be empowered and find out how you can increase tax efficiencies, and get clarity and peace of mind.
