

Czar (An Impossible Novella) (Impossible #8)

Book 8 in the USA Today Bestselling Impossible Series--Can be read as a standalone. After a lifetime of being sheltered, I decided to study abroad in St. Petersburg to push myself out of my comfort zone. Dimitri definitely fits the bill. Hes gorgeous, mysterious, and everything I never knew I wanted.

Im willing to give him my innocence, but he demands more. When its time for me to return to America, he wont let me go. My lover becomes my captor. He wants all of me, even if that means pushing me to my breaking point. He wont stop until he owns my body and soul. Warning: This is a very dark story with themes that some readers may find upsetting. Please proceed with caution.
