

Slichot

Here's the Selichot that you've been waiting for! New clear typeset and easy to follow instructions, featuring instructions for sitting, standing, and other customs, English instructions that appear on both the English and Hebrew pages, headings that identify major prayer sections, all in a clear new English and Hebrew typesetting. The order of these prayers, according to the custom of Chabad, is presented here for the first time as part of the annotated Series. This new Annotated Edition will make the saying of Selichot meaningful to those not fluent in Hebrew and, ultimately, it will intensify the entire High Holiday experience.
