

Unmistakable: A Billionaire Romance (Gentlemen's Club Billionaires Book 2)

Chandler doesn't do relationships. His life is all mapped out and with no room for a long term relationship. When he meets Jamie, feelings develop and the easiest way to handle those feelings is to end things before it gets too complicated. Jamie has never done heartbroken and that doesn't change when Chandler decides to end things. She picks herself back up and gets right back out into the dating world. After all, there are plenty of eligible bachelors at The Gentleman's Club. Before they can both walk away for good, a problem neither of them expected arises. Things heat up, lives are changed, and it all boils down to what the paternity test says. Warning: This is a May-December romance with a hero that is going to make you hate him long before he redeems himself.
