

Wolfs Temptation (Caedmon Wolves Book 7)

In *Wolfs Temptation*, Dawson Caedmon gets more than he bargains for when he agrees to help Alessia--a witch in peril--uncover a mystery surrounding her heritage. Their findings reek of danger, but Dawson will do anything in his power to keep Alessia from harm. Unsure whether or not she's his mate, but unable to resist her allure, Dawson throws caution to the wind. Unfortunately, his temptation may cost him his life. His and Alessia's safety isn't the only thing at risk either. The peace within the Pack is in peril, as well. Is learning the truth worth the risks? *Wolfs Temptation* is Book Seven of the Caedmon Wolves series. Books One through Six are also available now. **Each addition to the Caedmon Wolves series is a complete story with a happily ever after (HEA) and no cliffhangers. While each story can be enjoyed out of order, readers will receive the most enjoyment by reading in chronological order.**
