

The Middle Aged Mans Guide to Online Dating

Dont be overwhelmed by online dating. You can go it alone and be disappointed or you can use this guide to help you get the most out of your online experience. This guide will explain the best way to find that ideal date. After that, its all up to you. The guide uses the authors trials, mistakes and successes from two attempts at online dating, 4 or 5 years ago and present day (2016) to refine how to set your own dating profile. From site selection, finding that killer photo hidden in your collection and what to do when you get past all the setting up. The guide deals with: What to be wary of before you go online dating. Selecting a site for online dating. What kind of photos to use and their effectiveness for your profile. How to avoid writing the wrong things for your profile. What typical questions will you be asked during your profile set up. Conducting yourself when receiving and sending messages. How to use the dating website. What to expect on your first date. Remember that this guide cant find you a girlfriend, its advice thats all. Nor can it compensate for bad breath, poor clothing choices or Alcoholism and drug abuse. You have to fix those things yourself first. What it can do is help you make the right choices to begin successful online dating.
