

Tax Tips That Add Up: 150 tax saving strategies

This book details 150 tax saving strategies and ideas that if implemented will save you tax. It doesn't matter whether you are an employee, investor, or business owner; there are Australian tax strategies that may apply to your circumstances. Often taxpayers, and even many accounting professionals, are unaware of all the tax saving strategies that are available. This is understandable really as the Australian taxation system is extremely complicated and ever changing. Up to date information is the key to ensuring you are not paying more tax than necessary. The focus of this book is to educate and enlighten taxpayers and professionals alike about 150 selected tax saving strategies that are legally available. Taxpayers should only pay the exact amount of tax they are legally required to and not a dollar more. How knowledgeable and switched on is your accounting

professional?-----Darren Gleeson has been involved in the Australian accounting public practice industry for over twenty five years and is founder of the Success Tax Professionals franchise group of Registered Tax Agents and Public Accountants. Darren is a taxation and business development specialist who is an advocate for and active in the development, training and mentoring of accountants so they achieve their full potential and provide more value added and proactive services to their clients. Darren's blog on practice management, franchising and business development is available at stptax.com.
