

Art of Giving (CHS) (Chasidic Heritage)

What's the ideal way to give tzedakah? Specifically, is it best to give whatever we can at any given time regardless of the amount, or should we postpone our tzedakah giving until such time as we can afford to make a more sizable contribution? Or is neither approach necessarily preferable to the other? The Art of Giving emphatically exclaims that, yes, it does indeed make a difference how we go about giving to tzedakah, because the experience of tzedakah is about so much more than meets the eye.
