Biblical Discrepancies Revealed: The Gospels

Danner Wulfric

Focusing primarily on the Gospels, this book compares Biblical accounts of events, exposing the variances that appear to exist between them. The book is divided into four sections and covers chronological issues, doctrinal issues, miscellaneous issues, and passages relating to the death of Jesus; also included is a chapter on problematic passages relating to the second coming of Jesus. Each problem is indicated by chapter name, is briefly discussed, then discrepant Biblical texts are provided for review.
