

## Middle Age Threat or Promise? (Classic Reprint)

Excerpt from Middle Age Threat or Promise? Then come the children, with joys and worries; the first steps and the first words, the first childhood illnesses; the first bills to meet and the first loans to make. From then on its a whirlwind of housework for mother and pushing ahead on the job for dad; of feeding problems, birthdays and school-beginnings; of report cards and music lessons; of raises and promotions and job changes; of moving from one place to another; of measles, mumps and whooping cough; of quarrels and making-up. The whirlwind never stops as the children grow and life sweeps on with its confirmations and graduations; its parties, visits, outings, summer places; its new furniture, new homes and new cars; its new promotions and wage increases. And then a new stage in the life of the children brings a new phase into the life of the family. They enter high school and start dating, going steady, driving cars, preparing for college and work. After that, the excitement and scurrying around that comes with engage ments, showers and wedding plans. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the

original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
