

## Playing with Heartstrings

When Sienna McBride placed her baby for adoption at eighteen, she never dreamed that two years later sheâ€™d find herself falling for someone who resents his birth mother for not keeping him. A relationship that screams â€œbaggageâ€• is the last thing she has time for, especially with her last-chance Juilliard audition approaching. She canâ€™t afford any distractions if sheâ€™s going to get back into the school she turned down because of her pregnancy. But thatâ€™s exactly what new convert Aaron is turning out to beâ€”a devastatingly handsome, butterfly-inducing distraction. One thatâ€™s making her reconsider the importance of attending Juilliard. The future of their relationship rests on whether Sienna can live a lie or trust Aaron with the truth. If only she felt confident in either decision.
