

Wolfs Strength (Caedmon Wolves Book 5)

Tension grows between old rivals...Cold-blooded murder sparks a feud that could reignite the hatred between two dominant packs. Alpha Devin Caedmon and his council are tempted to risk all that is precious to protect their bloodline, but Tristan Arnou, the rival Packs leader, isn't the only force trying to tear down the unity holding them together. All threats must be eliminated before the entire wolf shifter race is destroyed. Forbidden love burns like a wildfire...There is one woman who Blake DeLuca loves more than anything else: Naomi Valentine. Despite the escalating battle and power struggles among their leaders, the fire between these two lovers has yet to be extinguished. Naomis heart belongs to Blake, but her allegiance lies with Arnou. She's left with two choices...assume her duty or accept Blakes eternal bond? In *Wolfs Strength*, secrets are unveiled and old memories long buried have resurfaced. The game of deception is a deadly one. There can be no peace until the bloodshed ends. *Wolfs Strength* is Book Five of the Caedmon Wolves series. Books One through Six are also available now.**Each addition to the Caedmon Wolves series is a complete story with a happily ever after (HEA) and no cliffhangers. While each story can be enjoyed out of order, readers will receive the most enjoyment by reading in chronological order.**
