

Into the Nothing (Broken Outlaw Series) (Volume 1)

Xander Evans has been on the road for many years. Never settling. Always moving from one place to another, unable to let go of his past. He lived a tragic childhood, spending most of those years in foster care. He's never felt like he's had a home. That is until he stops in the small town of Truman Valley, Missouri, where he meets a woman who will change everything he's ever known. Paige Watson has it all. A loving family, beautiful home, and a great career. The only thing she's missing...is love. After escaping an abusive relationship, she opens her heart up to a stranger. He is unlike any man she's ever met. He came into her life and turned it completely upside down. Everything is perfect. That is, until one fateful night. A night that would tear the Watson family apart, never to be put back together again. A night that would send Xander away to prison for life.
