

Girls Like Us: Fighting for a World Where Girls Are Not for Sale: A Memoir

Powerfully raw, deeply moving, and utterly authentic. Rachel Lloyd has turned a personal atrocity into triumph and is nothing less than a true hero. . . . Never again will you look at young girls on the street as one of those women—you will only see little girls that are girls just like us. —Demi Moore, actress and activist

With the power and verity of *First They Killed My Father* and *A Long Way Gone*, Rachel Lloyd’s riveting survivor story is the true tale of her hard-won escape from the commercial sex industry and her bold founding of GEMS, New York City’s Girls Education and Mentoring Service, to help countless other young girls escape the life. Lloyd’s unflinchingly honest memoir is a powerful and unforgettable story of inhuman abuse, enduring hope, and the promise of redemption.
