

What Lawyers Know About Torts: E law book

*An e law student book All The Authors Essays Selected For Publishing After The Feb 2012 Bar Exam!!! Lawyers know that a tort is a compensable wrong done by one person or organization to another person or organization. They know that there are dozens of torts - some are against the person, others are against goods and services, against property, privacy and reputation. This book explains the inner workings of individual torts in all these categories in detail and shows how to establish them as well as how to defend against them. If you never trusted a torts source - this is the first one to trust. It is from Value Bar Prep books, the pre-eminent torts writer for lawyers and students.
