Passionate payback— They say you can forgive but you can never forget. Virgil Bougard takes that saying to heart. Four years ago Kara Goshay believed a vicious lie about him and ended their relationship. And even after her apology, Virgil is still bitter. He doesn't intend to make things easy for Kara when his family's firm hires her PR company to revamp his playboy image. But faking a liaison with Kara for the media backfires when the line between fantasy and reality is blurred by strong sexual attraction. Kara wanted forgiveness. Instead she's deep into a heated affair with the powerful, charismatic man she can't resist. The man who claims he'll never forgive her, especially when a secret enemy puts her professional reputation in jeopardy. Stakes are high—but so is their searing desire, a connection so intense it could possibly tame this elusive, unforgiving bachelor at last!
