The problem isn't that you're weak-willed. The real problem is you're taking the wrong approach. You're not

utilizing the proven scientific methods of behavior change to transform your habits in the shortest amount of time possible and get a truly lasting change. The Healthy Habit Revolution takes cutting-edge research from behavioral, cognitive, and human needs psychology and condenses it into a simple 21 day step-by-step blueprint for creating better habits that stick. In only have five minutes a day, you can almost effortlessly change your life. Discover Why You Can Upgrade Your Habits Even If You're Completely Unmotivated 11 years ago, I was eating fast food every single night and I never exercised. Then seemingly overnight, I gave up the junk, started eating a healthy diet, and got in the best shape of my life. Most importantly, these habits have easily stuck for the past 11 years. What I learned was how to "flip a switch" in my brain so I could go from dreading to desiring healthier habits without a lot of willpower or self motivation. I've applied these tactics to develop a daily meditation habit, a morning routine, and skyrocket my productivity as a writer "things I used to constantly struggle with.

I wrote this book because I want others to benefit from the

methods that helped me so much.

What to Expect from Your 21 Day Healthy Habit Challenge
