

Handwriting and Drawing Research: Basic and Applied Issues

IOS Press is an international science, technical and medical publisher of high-quality books for academics, scientists, and professionals in all fields. Some of the areas we publish in:

- Biomedicine
- Oncology
- Artificial intelligence
- Databases and information systems
- Maritime engineering
- Nanotechnology
- Geoengineering
- All aspects of physics
- E-governance
- E-commerce
- The knowledge economy
- Urban studies
- Arms control
- Understanding and responding to terrorism
- Medical informatics
- Computer Sciences
