

Find the Love of Your Life After 50!

Find the Love of Your Life After Fifty! resolves many issues important to dating and mating at this stage in life: improving on attitude and adaptability; where to meet others; dating with dignity and not dismay; whether sex is important still; overcoming feelings of rejection, and more. Offering true life stories, guidelines, and self-help quizzes, it will motivate, educate, and encourage a totally new and positive attitude about dating. What does it take to find a companion, a lover, a mate at this stage in life? It takes acknowledging that dating is different from years past. It takes summoning courage and taking risks. It takes the right timing. It takes being adaptable. It takes being realistic, being creative, and educating yourself. It takes looking good. And, at the very least, it takes knowing the best places to socialize. What a task, you might say? Not really. Find the Love of Your Life After Fifty! will demonstrate how anyone can bring love, romance, and companionship into life once more.
