There, surrounded by her free-spirited brother, their divorced mother, and four young nieces and nephews, Annie slowly emerges into a world she left behind years ago: the town where she grew up, the people she knew before, the high-school boyfriend turned judge. And with the discovery of a cookbook her grandmother wrote in the distant past, Annie unearths an age-old mystery that might prove the salvation of the family farm. Family Tree is the story of one woman's triumph over betrayal, and how she eventually comes to terms with her past. It is the story of joys unrealized and opportunities regained. Complex, clear-eyed and big-hearted, funny, sad, and wise, it is a novel to
