

## Hot Like Fire (Clean and Sweet Romance)

Agostino Mancini had a difficult life as an EMT, leaving very little time for a serious relationship. But a surprising gift in the form of a kitten led him to her...Erica Harrell had enough on her plate with running her veterinary business. She tried the love thing and was burned so many times, she was convinced she was going to be a spinster for the rest of her life. Then a second chance encounter at the pet store led her to him...A drastic change from the erotic and sensual romance, Vera Roberts brings a short and sweet tale of how two people found love and each other through kittens and prayer.
