It's all coming together, everything she wanted as a child. Cain never had a family. His mother died when he was a baby, and he never had a father. Raised by a series of foster parents, he's spent his whole young adult life drifting around, acting the bad boy, until now that is. When the two of them meet, there are obvious sparks, but they're nothing compared to what follows, a series of events that will cause Grace's perfect life to crumble all around her. But he's always there, always there to save her when she needs saving, to protect her when she needs protecting. Even if she doesn't know it. As their lives continue to intertwine, a shocking revelation causes Cain to question everything in his life, leading him on a path that brings his world, and Grace's, crashing down in front of them. Book 2 - FIGHT FOR YOU Grace is haunted by the events of that night at the mansion, the night when her whole world changed. She's battling her guilt while trying to support Chase, the man she loves, while he deals with his grief - a grief she imparted on him. Cain had fled, hiding out of town and trying to scratch a living working in a bar. He soon gets sucked into

the world of underground fighting, a world that proves more lucrative and exciting than he might have imagined. But there are loose ends he needs to tie up, things he needs to do back home, people he needs to see. When he returns home a shadow from his past begins to haunt him, putting his life, and the lives of those he cares for most, in danger. As Grace battles with her guilt, a revelation about the past comes out, sending her, Cain, Chase, and Emily all on a course that will lead them into peril. Book 3 - KILL FOR YOU Grace's life is finally settling down, but there's a lingering need for adrenaline in her body. After everything that happened, normal life just doesn't feel that interesting. Thankfully, Cain can provide this, his underground cage fighting now turning serious. Before he knows it, he's being dragged deeper into the underbelly of the city, towards a fate that will leave both him, and those he loves, fearing for their lives. The Always for You Series is a romantic suspense box set that will leave you reeling with its revelations and big reveals.
