

Beyond Belief: My Secret Life Inside Scientology and My Harrowing Escape

Jenna Miscavige Hill, niece of Church of Scientology leader David Miscavige, was raised as a Scientologist but left the controversial religion in 2005. In *Beyond Belief*, she shares her true story of life inside the upper ranks of the sect, details her experiences as a member Sea Org—the church's highest ministry, speaks of her disconnection from family outside of the organization, and tells the story of her ultimate escape. In this tell-all memoir, complete with family photographs from her time in the Church, Jenna Miscavige Hill, a prominent critic of Scientology who now helps others leave the organization, offers an insiders profile of the beliefs, rituals, and secrets of the religion that has captured the fascination of millions, including some of Hollywood's brightest stars such as Tom Cruise and John Travolta.
