Pope Benedict XVI Encourages Reading Story of a Soul The Story of a Soul conveys St Therese of Liseuxs Little Way of spiritual childhood - her elevator to Heaven, as she called it. This method was approved by Pope Pius XI as a way for all to grow in holiness through unflinching confidence and childlike delight in Gods merciful love. Again and again in this book, St. Therese shows us how her Little Way of love and trust comes straight from Sacred Scripture. This book belongs in every Catholic home, for Pope St Pius X stated St. Therese of Liseux the greatest Saint of modern times. This is the original TAN edition now with updated typesetting, fresh new cover, new size and quality binding, and the same trusted content.
