

Milords Highland Captive - A Short Historical Romance

While Ailsa expects to be bartered into marriage to strengthen her highland clans position in society, she never expected to be sold into the bed of an Englishman, even if it will bring peace to their warring borderlands. But that's exactly what happens. Ailsa is determined that there will be no wedding. But escaping Lord Deverell, who is clearly delighted with his highland bride, may prove harder than leaving her beloved home behind for he is not a man to be ignored, especially in the bedroom!
