From Amazon Bestselling Author, Lexi Duval, comes a delicious new billionaire erotic series, Bought by a Billionaire! Readers should be 18+ for sexy scenes and swearing! PART ONE How far would you go to change your life forever? That's the question posed to Brooke Carter when a strange man comes calling at her door. A man who deals in a very special kind of service, and with a very special list of clients. He's there at the instruction of a mysterious billionaire, Jason Slater, a man Brooke has only ever seen at a glance. But that glance was enough to seal a deep desire inside her. A desire that will set her on a path that she never would have expected to tread. Because the man at Brooke's door services the needs of alpha billionaires like Jason Slater. He provides them with the things they want most, and Brooke is about to become his latest acquisition. Soon, she'll be bought by a billionaire, losing herself to his needs in a bid to change her life. PART TWO With the auction concluded, Brooke finds herself standing in front of a dream – Jason Slater, the sort of guy she'd happily sleep with for free. But she's not doing this for free, she's getting paid \$250,000 for it, and after tonight, her life will surely change for good. But it's not only the money that's going to change her life, but the beautiful, alpha male billionaire she's taken to bed. Taking her to the finest hotel suite in Manhattan, she enjoys a night she'll never forget, but one she's scared she'll never replicate. Soon, he's haunting her dreams and

waking thoughts, altering her life more than she could ever have expected. But its not over, not by a long shot, and just when Brooke thinks shes seen the last of him, he turns up at her door. PART THREE Waking up in hospital isnt always great, but when youre greeted with a face from heaven its not so bad. Having never expected to see the gorgeous alpha male billionaire, Jason Slater, again, Brooke finds that hes spent the night by her bedside, watching over her like a guardian angel. Gradually, that one night they shared together morphs into several and Brooke gets to experience the man night after night. Just when she thinks things are going well, however, she discovers that hes got a secret, and that their relationship has, to him at least, been nothing more than sex. Or has it? With her focus returning to her new business venture, Brooke soon finds out the truth about billionaire Jason Slater. And its a truth that, one way or another, will change her world forever...
