

Supreme Influence: Change Your Life with the Power of the Language You Use

“Supreme Influence is a way of being and communicating with purpose, poise, precision and power. It is a practice that allows you to consciously create harmonious relationships and produce successful results in every area of life. Transform your language, transform your life! Niurka, a former Anthony Robbins corporate trainer, and popular transformational leader and communication expert, teaches us how to increase confidence, enrich relationships, transcend fears and achieve greater success – all by choosing language wisely. In this inspiring journey of discovery, Niurka shows us how shifting what we say and how we say it can forever alter the way we experience life and all its bounty. With practical and simple tools and techniques, this book guides us to expand our awareness, consciously direct our focus, and choose empowering thoughts and words, which ultimately will lead us all to a greater appreciation of life no matter what’s happening around us. As we actively participate in uplifting our imaginings and conversations, we elevate our entire experience of reality. On this journey, you will learn how to align your thoughts, focus, beliefs, body language, goals and vision with your purpose and authentic self. Most important, you will realize a deeper understanding of who you are and why you are here. Regardless of what you’ve experienced up until now, you can rapidly and often instantly transform challenges, realize your

vision, and inspire others through your example. No matter what you've experienced in life, Niurka writes, "your being is beyond any circumstance, the past, any story, or beliefs. Throughout this book, I share my own past and stories because they offer wisdom and can make a difference, but the specifics of my circumstances don't really matter. Who I Am is beyond every story. And so it is with you."
