

The Peaceful Pill Handbook 2013 Edition

The 2013-14 edition of The Peaceful Pill Handbook is the most recent update to this best-seller on assisted suicide. This edition includes 18 chapters including news on Barbiturates plus online and offline sources, testing, storage, manufacture and administration. Other Chapters include the use of inert gases (Nitrogen - Max Dog Brewing, Helium, Argon) and the Exit bag, the role of poisons such as carbon monoxide, cyanide and detergents. A new updated chapter on everything you need to know about the Swiss Option and prescription drugs. Legal issues and procedures such as autopsies, suicide notes and inquests are also considered. To help the reader compare approaches, Exit has developed its unique Reliability Peacefulness Test which analyses criteria such as: Reliability, Peacefulness, Availability, Preparation, Undetectable, Speed, Safety, Storage for each method. The Peaceful Pill Handbook is for Seniors, folk who are seriously ill and their families. The online Peaceful Pill eHandbook is only available via Exit directly. This edition contains videos and is updated 6x per year.
