

Motivation for the Middle Aged

Do you ever find yourself wanting to do something but have a voice in your head tell you that you're too old. Or maybe you have been age-shamed when someone discovers that you are doing a particular endeavor that someone thinks is the exclusive endeavor of young people. If you are struggling to find motivation and losing your zest for life then this book is for you. This is an eight step guide to regaining the lost fire of youth offering you a no-nonsense, no fluff look at how our culture expects us to behave as we age and how to overcome those social mores that have been placed upon us.
