

Master of the Island (Invitation to Eden PREQUEL) (Invitation to Eden series)

This story is meant as a prequel to the Invitation to Eden series and is NOT meant to be read as a standalone. When his life takes a dark turn, billionaire Theodosius Vardalos purchases a deserted island in the Bermuda triangle. Its accessible only by plane- the better, he thinks, to hide his scars from the rest of the world. What Theo doesn't know is that the island has an incredible secret, one that gives him hope... hope of future happiness, despite the horrible scars that make him a recluse. Hope to be had in the arms of a mysterious blonde he hasn't yet met...
