

Straight Talk, No Chaser: How to Find, Keep, and Understand a Man

In the New York Times bestseller *Act Like a Lady, Think Like a Man*—the basis for the #1 box office smash—Steve Harvey gave millions of women around the globe insight into what men really think about love, intimacy, and commitment. In *Straight Talk, No Chaser*, he zeroes in on what motivates men and provides tips on how women can use that knowledge to get more of what they need out of their relationships, whether its more help around the house or more money in the joint savings account. Harvey also shares invaluable information on: How to minimize nagging and maximize harmony at home Dating tips for women in their 20s, 30s, 40s, 50s, and beyond What men think about intimidating women Drawing on a lifetime of experience and the feedback women have shared with him in reaction to *Act Like a Lady*, media personality, philanthropist, and (finally) happily married man Steve Harvey proves once again—with his trademark wit and no-nonsense honesty—that he is the ultimate guide to understanding what men think when they think about women.
