

Handwriting Analysis - The Art and Science of Reading Character by Grapho Analysis

The Best Insurance Policy Money Cant Buy Trust is a very powerful thing. But in todays world, it can be hard to decide who you can trust and who you cant. Have you ever had nagging doubts when you left your car at the mechanic? Or wondered how responsible your childs babysitter really is? Do you ever wonder if you can really trust your friends, your co-workers... or the people you date? You already know how easy it can be to get hurt, taken advantage of, or used by people whom you thought you could trust - simply because its so easy for people to lie and mislead you. But you dont have to put yourself (or your family) at risk anymore! There is an amazingly accurate way for you to discover peoples TRUE character - within seconds - and protect yourself from trouble. And the best part is... No One Can Hide From This... Handwriting Analysis is one of the most effective and powerful ways for you to uncover someones true character and find out their real personality. Within seconds you can look at anyones handwriting and instantly know everything they think and everything they feel. You can uncover the dark little secrets they try to hide - and you can learn which people you can trust. € Discover which friends you can always depend on... (and which friends you should never confide in!) € Finally find an honest car mechanic, electrician, plumber, or contractor... (This will save you big money!) € Learn about your childs teachers, babysitters, and care-givers true personalities - and rest easy knowing you are

surrounding your child with the best people possible. • Know someones true feelings and intentions before you start a relationship, accept a date, or get married. • Find out the truth about the people you work with, the people in your community, and even your own neighbors. With this book, anyone can learn how to analyze handwriting. Its simple to get started and even easier to put it to work for you. If youre ready to give yourself the best insurance policy ever and start protecting yourself from all the wrong people... get this book today!
