

Career Development Interventions in the 21st Century, 4th Edition (Interventions that Work)

Note: This is the bound book only and does not include access to MyCounselingLab®. To order MyCounselingLab® packaged with the bound book, use ISBN 0134297318. Organized around the National Career Development Association's competencies and the American Counseling Association's Code of Ethics and Standards of Practice, this top-selling text presents theories, assessments, planning tools, resources, and technologies relevant to modern career development. With four chapters devoted to career development in educational settings, this book analyzes the aspects of career development interventions for the elementary, middle and high school, higher ed, and community audiences. Also provided are strategies for implementing career counseling techniques and creating and designing career development programs. Also available with MyCounselingLab® This title is also available with MyCounselingLab's an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results. Within its structured environment, students see key concepts demonstrated through video clips, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes.
