

Maybe Someday

At twenty-two years old, Sydney is enjoying a great life: Shes in college, working a steady job, in love with her wonderful boyfriend, Hunter, and rooming with her best friend, Tori. But everything changes when she discovers that Hunter is cheating on her--and shes forced to decide what her next move should be. Soon, Sydney finds herself captivated by her mysterious and attractive neighbor, Ridge. She cant take her eyes off him or stop listening to the passionate way he plays his guitar every evening out on his balcony. And theres something about Sydney that Ridge cant ignore, either. They soon find themselves needing each other in more ways than one. A passionate tale of friendship, betrayal, and romance, Maybe Someday will immerse readers in Sydneys tumultuous world from the very first page.

Original music created for Maybe Someday by musician Griffin Peterson can be accessed through the website listed in the ebook and paperback. Â
