

# Reckless and Real: The Complete Series

Dive into a world of sex, secrets, and scandal in New York Times Bestselling author Lexi Ryan's *Reckless and Real*. This omnibus bundle edition includes *SOMETHING WILD*, *SOMETHING RECKLESS*, *SOMETHING REAL*, as well as a bonus epilogue short story, *SOMETHING BEAUTIFUL*.

*SOMETHING WILD* Samuel Bradshaw is a man with a reputation—the kind of reputation that should have me running the other way. Instead, it has me searching for the shortest distance to his bed. I won't be the starry-eyed girl who thinks she can change a man like Sam, and despite what he thinks, forever is not what I need. I need the things he makes me feel, the way he turns me on, and the promise of pleasure in his eyes. I need *SOMETHING WILD*.

*SOMETHING RECKLESS* He talks dirty to me, but I don't know his name. He wants to tie me up, but I don't know his face. He turns me on, but I couldn't point him out in a crowd. I've fallen for an anonymous stranger, and now the anonymity ends. I want more than typed secrets and texted promises. I want something reckless. Heat. Passion. The thrill of being entirely possessed. Because I suspect this anonymous stranger isn't a stranger at all.

*SOMETHING REAL* After everything blew up on Christmas, Liz walked away from me, and I let her. She said she needed space and a chance to pursue her dreams. But we both knew she was running from the mess she made. Now the political campaign

she used as an excuse to leave is bringing us back together and Iâ€™m proving to her what she really needsâ€”not just the hot nights, greedy hands, and undeniable physical chemistry. What she really needs is something real. What she really needsâ€”is me. ~~~ Praise for the Reckless and Real Series Holy!!!
