

Escape: The Past: Living Fast Redefined As Bangkok Hilton Escapee David Mcmillan Opens His Past As A Teenage Drug-Trafficker

In this gripping prequel to *Escape*TM, drug smuggler-turned-bestselling author David McMillan starts from the beginning and tells how he made his first million dealing drugs by age 21. He details his plans to smuggle marijuana by Learjet, befriend drug-dealing pimps in Bangkok brothels and transport liquid heroin in glass statues. Learn the tricks of the smuggling trade as McMillan arms his couriers with dozens of passports that frustrate border guards for years.
