Melt Your Resistance to Fear and Embrace Your Creative Power. Discover the magic and miracles that come from releasing your resistance to "what is." Learn how to live consciously from your authentic, creative power and awaken to the divine human that you are. This is a spiritual journey into the power of love and transformation. Judy shares her very personal story of transformation out of her "dark night of the soul." Her story will deeply inspire you to awaken from and release your past conditioning, particularly that which came from any past adversities as a child. You will discover how to be the primary authority and influence in your life, not your circumstances or other people. You will gain an expanded perspective that will give you the keys to access your authentic power and to enter into your creative, divine kingdom. As a result of having read this book, you will come away with so many practical ways that are a MUST to implement for you to enter into your "creative kingdom" of miracles and manifestations.
