

The Bare Bones MC Box Set 3 (Volumes 1-5)

Binge read the entire series of bestselling MC novels. This collection includes the first five books from THE BARE BONES MC series. Daring readers will encounter themes of abuse, dubious consent, BDSM, drug running, and violence. No cliffhangers, and HEAs all around for everyone.

THE BARE BONES #1 The rose-colored illusion of Madison Shellmound's girlish crush on biker Ford Illuminati is stomped into smithereens by his crude father Cropper, Bare Bones motorcycle club President. Fearing Ford will kill Cropper if he finds out, Madison flees, becoming an upstanding cardiology nurse. Madison and Ford have an ill-fated, star-crossed love that will last their lifetimes. Ford is a lifer in a different sort of enterprise, the gritty full-throttle club of guns, blood, and allegiance to his brothers.

STAY VERTICAL #2 Peace Corps volunteer June Shellmound returns to Arizona to care for her dying mother. At the clubhouse of The Bare Bones motorcycle club, June is swept into the drama when half-breed Lytton Driving Hawk barges in and demands recognition as president Ford Illuminati's half-brother. Hot enough to melt steel, Lytton has forged a life apart from the reservation as a brilliant chemist, living the high times at his pot farm in the mountains. Lytton is no fortunate son, though, and the mortal secrets Ford's been hiding about their father drive the last nail into their brotherly coffin.

BAD TO THE BONES #3

Knoxie Hammett has been The Bare Bones tattoo artist for years. Hes just drifted through life, living it large and performing in their Triple Exposure films, recovering from a divorce he never wanted. Suddenly Knoxie has a reason to live and to want to prospect for The Bare Bones outlaw motorcycle club. Hell need their help to rescue the lovely Bellamy Jager from the jaws of the cutthroat, warped cult leader who has been holding her hostage all her adult life. To the neglected, abused Bellamy, living in the desert canyons off stolen food and time, the sanctity of the ashram looked like a safe zone. But her haven turned to hell and she was drugged and abused, ignorant of any other way of life.

PLAYING WITH MONSTERS #4 Roman Serpico has abandoned a thriving rock star career to prospect for The Bare Bones MC. His goal: revenge on the cartel for his father's murder. His black soul is a writhing mass of venom and rage, and joining the club fuels his ability to wreak havoc. His stepfather, the club's lawyer Slushy, calls on him to save a stepsister Roman barely knows. Nurse's assistant Gudrun McGill has fallen in with a bad crowd and needs an emergency extrication now. Roman believes he killed Gudrun's assailant, but the loathsome, murderous fugitive Riker has nine lives. He lives to traffic in human flesh another day, and Roman is hell-bent on tracking the bastard down. But The Bare Bones votes to place Gudrun into custody with her stepbrother as her bodyguard.

HAVE GUN, WILL TRAVEL #5 Beatrix Hellman has reunited with her Bare Bones sweetbutt friends from high school. Her

isolated life in a mountaintop convent has ground to a sudden halt, her faith dashed against the rocks. She needs something else to believe in, and her old friends become her new family. But a sadistic cartel associate of the club has maimed one of the whores. Bee and the women put a bounty on Tony Tormenta's head. And they think they know just the man for the job. Zane Sax Saxonberg is back from a different sort of exile. He was banished by his club Prez brother Leo a decade ago to ride the interstates of America as a nomad. Haunting back road BDSM clubs, Sax has a willing submissive in every state. He returns to the Bare Bones backyard to help the women and to check on his nephew Harte. Instead he finds a fiery slave in Bee's part camp counselor, part nun, part Force-Me Queen.
