

Hedonism Overture (BBW Bisexual Swinger Menage Romance): Cuddly Swingers Book 4

Can you be wanton and romantic at the same time? Steve Doucet got more than he ever bargained for on this trip to Hedonism's Wicked For A Week™ resort is for unusual reasons. He hasn't been there in years. He wants to put memories to rest, but instead misses Pam more than ever. Him and his wife had a lot of great times at Hedo. Until she got sick. Until she passed away years ago. His cloud of melancholy is blown away by the hurricane that is Jess Adams. She's got to be ten years younger than him! Her resemblance to Pam, in body and in spirit shocks him back to the present. She's as wantonly wicked as he ever was! Jess came down to Hedo™ to let off steam and have with no strings attached casual encounters. They came fast and furious, and she's having a great time. What would a guy like Steve see in her anyway? And why the heck does he ask her out on a date? A DATE? Can you actually go on a date at a Swingers Resort? And after the date, does it end with a good night peck on the cheek? Are you crazy? This is a Swingers Resort! A romantic dinner ends with ribald debauchery at the hot tub. It's called Hot Tub™ for a reason. As great a time as she's having, Jess isn't about to give away her big secret to big Steve. She finds out Steve has some secrets of his own!
